SUMMARY

Enthusiastic and results-driven professional with a solid background in research, data collection, and analysis within the domain of Kinesiology. Proven track record of applying data-driven insights to improve processes and outcomes. Seeking to transition and apply diverse skills to excel in Information Technology roles.

EXPERIENCE

Clinical Trials Coordinator - NIH R01 Grant Funded July 2023 - Present
Louisiana State University, New Orleans, LA

- Effectively coordinates activities between multiple parties to establish a cohesive research environment
- Maintain and organize extensive datasets with proficiency in data management and organization
- Trains professionals to work as interventionists within the study team
- Oversees data collection and administrative processes

Lab Coordinator/Research Assistant – Kinesiology Lab August 2021 - May 2023
Georgia Southern University, Statesboro, GA

- Efficiently managed and maintained the lab environment for faculty by ensuring all equipment and software were in working order through implementing security protocols
- Assisted in the installation, configuration, and maintenance of hardware and software, including operating systems and scientific applications
- Trained and mentored individuals in lab procedures and equipment usage in order to conduct reliable data collection

EDUCATION

M.S. **Georgia Southern University – Statesboro, GA** 2023
Kinesiology
Concentration: *Athletic Training*
Thesis: Acceleration and Muscle Activation Patterns During Standing and Running Tumbling
Passes in Collegiate Cheerleading

B.S. **Springfield College – Springfield, MA** 2021
Athletic Training - Cum Laude

CERTIFICATIONS/SKILLS

- CompTIA A+ 202-1101
- Troubleshooting Microsoft Windows and Apple macOS
- PC Hardware Installation through personal projects
- Microsoft 365 and Office applications experience through prior jobs
- Customer service proficiency while working with lab researchers
- Database Management while working as a Clinical Trials Coordinator
- Project Management experience as a Lab Coordinator
